STAT

SUBJECT:

Professional Category Attrition Rate
for FY-83.

Data as of April 30, 1983.

NOTE - Professional defined as
professional and technical
occupational categories.

The following table shows the attrition rate and estimated attrition rate for the Agency and each career service. In the case of the DCI and DDS&T, the outflow is negative which means a gain in strength from internal transfers. The attrition rate for these career services is really a gain rate.
